PROFESSIONAL SUMMARY

Methodical Sales Development Representative (SDR) leveraging an authoritative vocal presence and structured communication to drive B2B pipeline. Merging strategic B2B communication with technical product development and AI operations. Proven ability to handle complex client interactions, navigate objection handling, and utilize digital tools to consistently generate high-quality pipeline.

CORE COMPETENCIES & TECHNICAL SKILLS

- Sales & Operations:** Outbound Prospecting, Lead Qualification, Objection Handling, Pipeline Generation, B2B/B2C Communication, Churn Reduction.
- Technical & Digital Tools:**
 - Product & Ecosystem:** Unity Engine, App Analytics & Distribution (Firebase, Google Play Console).
 - AI-Driven Outbound Operations:** Utilizing premium AI models (Claude Pro, ChatGPT Plus, Gemini Pro) to automate lead enrichment, draft hyper-personalized outreach sequences, and streamline complex market research.
 - Digital Media & Outreach:** Personalized Content Creation (Adobe Premiere, Photoshop, Sony Vegas, CapCut, Canva).
 - CRM & Prospecting Stack:** Salesforce Lightning, HubSpot Sales Hub, LinkedIn Sales Navigator, Apollo.io.
- Analytical Skills:** Complex Document Analysis, Strategic Foresight, High-Volume Data Processing.
- Languages:** English (Advanced / Bilingual Proficiency), Turkish (Native).

PROFESSIONAL EXPERIENCE

Armeda Studios Jan 2026 – Present

Founder & Independent Developer

- Spearheaded the end-to-end product lifecycle for the mobile application "[Mummy Swing](#)," driving the project from initial concept to final deployment on the Google Play Store.
- Managed strict platform compliance, technical quality assurance, and Google Play Console integrations to successfully ship a functional software product.
- Architected a zero-budget Go-To-Market (GTM) strategy targeting a global audience, gaining hands-on experience with digital localization and App Store Optimization (ASO) mechanics.

English Time Jun 2024 – Apr 2026

Communication & Client Enablement Specialist

- Facilitated high-impact presentations and daily educational sessions for diverse groups of 30+ clients, mastering the ability to simplify complex concepts and maintain continuous audience engagement.
- Engineered targeted objection-handling strategies during critical enrollment phases, effectively reducing churn and accelerating decision-making cycles for prospective clients.
- Analyzed performance metrics and applied structured delivery methods to optimize client outcomes, consistently meeting institutional satisfaction and success targets.

Sarbas AS Aug 2022 – Apr 2024

Operations & Customer Relations Specialist

- Managed high-volume B2C transactions, efficiently processing operations for 100+ daily customers across municipal facilities while maintaining strict service standards in high-stress environments.
- De-escalated real-time customer conflicts and resolved complex operational bottlenecks, optimizing communication channels to boost overall efficiency and client satisfaction.

EDUCATION

Kocaeli University June 2026

Bachelor of Arts in English Language and Literature

- Graduated on-time with a focus on advanced group communication, instructional design, and persuasive presentation strategies—skills directly transferable to client enablement and objection handling.
