

ARDA EMİRHAN KİNÇ

OPERATIONS / PROCESS COORDINATION / SALES OPERATIONS

Kocaeli, Türkiye | +90 538 563 61 07 | kincardaemirhan@gmail.com | [LinkedIn](#)
Open to Istanbul/relocation | B driving licence | No travel or shift restrictions | Military service deferred to July 2028

PROFILE

Recent graduate focused on customer operations, record tracking, sales support processes, and workflow automation. Experienced in payments, closing support, complaint resolution, and customer communication in high-volume service settings, plus performance tracking, renewal discussions, and Excel-based records in education. Built CRM-style tracking and data workflows with Make.com and n8n.

EXPERIENCE

English Time İzmit — English Teacher

June 2024 – April 2026 | İzmit, Kocaeli | Part-time/flexible

- Delivered A1–C2 instruction to children and adults across group, one-to-one, and remote formats, teaching more than 50 learners on a busy weekend day.
- Prepared lesson plans, materials, and assessments; recorded and tracked examination results in Excel.
- Maintained consistent class records covering schedules, topics, and completed activities to support operational continuity.
- Presented learner performance in parent meetings and recommended subsequent courses based on demonstrated needs, contributing to renewals.

Sarbaş A.Ş. — Service Staff & Customer Operations Support

August 2021 – April 2024 | İzmit, Kocaeli | Weekend/part-time

- Managed admission, cash/POS payments, Z reports, visitor reporting, and closing support for more than 100 daily aquapark visitors.
- Supported a café team serving more than 400 customers on busy days across order taking, service, floor readiness, and opening/closing activities.
- Routed orders through the Menulux mobile ordering system and addressed delays and product-temperature complaints promptly.
- Maintained regular weekend shifts for approximately 1.5 years while completing university studies.

SELECTED PROJECTS

Outreach Operations Automation — Make.com & Notion | 2026

- Built a 17-module, six-route workflow across Notion, Make.com, Outlook, and OneDrive; automated sequence status, next-action dates, and message-ID updates over a 17-day cycle.

Mummy Swing — Independent Mobile Product Project | January-June 2026

- Took an AI-assisted mobile game from concept to Google Play release, managing a 20-user closed test, QA, store content, compliance, AdMob, and publishing.

EDUCATION

Kocaeli University — BA, English Language and Literature

September 2021 – July 2026 | GPA: 3.04/4.00 | Honors graduate

Completed pedagogical formation; taught Grades 9–11 for 8 hours per week during practicum at 24 Kasım Anatolian High School
